f cristianfer9dez

I'm a results-driven professional with a background in web development, graphic design, and project management. I enjoy collaborating with others and tackling challenges head-on. Thriving in fast-paced environments, I'm committed to delivering high-quality results on time. I'm excited to bring my skills to innovative projects in the IT industry.

■Education

COLLEGE: PHINMA Araullo Universtiy   **2025**

Bachelor of Science in Information Technology

SENIOR HIGH SCHOOL: San Ricardo National High School   **2021**

Specialized Program in Science, Technology, Engineering, and Mathematics

■Technical Skills

- **Web Development:** I work with HTML, CSS, JavaScript, PHP, and SQL to create functional websites.
- **Graphic Design:** I use Photoshop and Canva to create eye-catching graphics.
- **Computer Troubleshooting:** I troubleshoot both software and hardware issues, including installing operating systems and diagnosing hardware problems.
- **Project Management:** I handled good amount of projects since i entered college such as group projects and capstone project.

■Personal Skills

- **Communication:** I effectively convey ideas and information in both written and verbal forms, ensuring clarity and understanding among team members.
- **Teamwork:** I collaborate with diverse groups, fostering a supportive environment to achieve common goals and enhance productivity.
- **Adaptability:** I adjust to new challenges and changes in the work environment, maintaining a positive attitude and flexibility.
- **Problem-Solving:** I analyze issues critically and creatively, developing practical solutions to overcome obstacles and improve processes.
- **Time Management:** I prioritize tasks efficiently, meeting deadlines while balancing multiple responsibilities effectively.

■Experience

FREELANCER   **2024**
